Chapter 3 by Brownie

I would rather use eye drops made of vinegar because I don't use eye drops.

I would rather sneeze and not be able to because that already happens to me a lot.

I would rather be naked in Antarctica because then I could just find cloths.

I would rather always have to say everything on my mind because I'm a really talkative person and I couldn't imagine not being able to talk.

I would rather be without elbows because I'm a volleyball player and I wouldn't be able to dive if I didn't have knees.

Would you rather read the whole Narnia series or the whole Harry Potter series for the rest of your life?

Would you rather be Hermione Granger, Luna Lovegood, or Ginny Weasley?

Would you rather have Voldemort as your teacher or Dolores Umbridge?

Would you rather have the longest name in the world or the shortest?

Would you rather wear shorts or dresses for the rest of your life?

Would you rather know how you die or when you die?

Chapter 4 by Natalia Cugliari

Hermione Granger or Luna Lovegood but no Ginny Weasley leaning a bit more towards Hermione.

Voldemort because I like my hand just the way it is, thank you very much!

I would Rather have the shortest name because I would be really easy to learn.
